12th September 2023

Dear Parents, Guardians, and Cherished Students,

I am absolutely delighted to extend a heartfelt welcome to the new academic year at Bleasdale School, a place where every individual's unique journey is embraced with open arms. As the Headteacher of this extraordinary SEN school, I am deeply honoured to be part of this remarkable community.

Our dedicated team of educators and support staff is wholeheartedly committed to creating an environment of inclusion, understanding, and empowerment. We recognise that our students face distinct challenges, and it is our mission to provide the unwavering support and encouragement they need to thrive.

Throughout this academic year, we will continue to prioritize individualised education plans, tailoring our approach to suit the specific needs and abilities of each student. We believe in the incredible potential within every student, and our aim is to help pupils discover, develop, and celebrate their strengths.

At Bleasdale, we place a strong emphasis on fostering meaningful connections between students, staff, and families. Your input and involvement are invaluable to us. Please know that our doors are always open, and we welcome your thoughts, questions, and ideas with open arms. On this note please look over our school calendar here: <https://www.bleasdaleschool.lancs.sch.uk/events/> Of particular note will be our Look to the future event on October the 17th Harvest Festival on the 18th and individual class events in October where you can share in your child's learning.

Together, we will embark on a journey of growth, learning, and discovery. I am confident that with our collective dedication, this academic year will be a transformative and enriching experience for all. Thank you for entrusting us with the privilege of supporting your child's education.

A short note on bugs and flu season: We will continue to be vigilant in school using our PPE, cleaning resources and fogging rooms. If your child is unwell, please notify the school office on the first day of their absence. We will continue to follow the public health guidance of 48-hour absence following sickness bugs to ensure the safety and wellbeing of all pupils and staff.

As we set sail on this new adventure, let us remember that we are not only a school, but a community bound by care, compassion, and a shared vision of success. Here's to a year of endless possibilities and boundless achievements.

With great excitement and anticipation,

Sefton
