

Middle School

Summer 2023

Overview

 <p>Communication (tracking and motor skills)</p>	<p>This term we will explore Non fiction and poetry linked to the seaside theme. We will also work on developing our fine motor skills, using our hands or different tools. Alongside this we will take part in daily sound sessions, focusing on recognising different environmental sounds, creating our own sounds and working towards our individualised phonics programmes.</p>
 <p>Number, Space, Space and Measure.</p>	<p>Our topic work is position. We will explore the text Rosie's walk to experience and explore the terms, in, on, under, around and past.</p> <p>In Number work we will investigate all things number, through rhymes, songs and practical activities. This half terms songs will be: 5 singers, 5 firemen and 5 aliens. Pupils will develop their understanding of the sequence of number and explore objects of interest related to number.</p>
 <p>Let's Investigate</p>	<p>This term we will explore shadows. We will use lights to create different shadows. We will explore what object allow light to pass through them and which materials block the light.</p>
 <p>Our World</p>	<p>This term to develop our understanding and awareness of what is around us, we will explore our local area. We will follow and create sensory maps to help us find our way around the village.</p>
 <p>Creative Arts and Design</p>	<p>In Art this term we will explore colour. We will use different tools including our hands to mix colours to create new colours.</p> <p>In Design and Make pupils will explore ice lollies. We will explore making different types of ice lollies, testing different ingredients to make our preferred lolly.</p>
 <p>PSHE</p>	<p>In PSHE this term we will explore different religions. We will investigate different faiths.</p>
 <p>Music</p>	<p>This term we are exploring loud and quiet. We will use different instruments to create loud and quiet sounds and then use our instruments to compose music.</p>

Physical
Education

This term we will explore the topic balance. We will experience climbing and balancing in different ways, using different equipment inside and out to help use balance or climb. Some of us will visit Silverdale park to practice balancing and climbing on playground equipment. Some of use will experience balancing on different equipment with the use of our harnesses to support us.
